

Policy Mechanisms for Ecosystem Services Delivery International Workshop

Day 1 (4th May)

Day 2 (5th May)

8.45-9.30	Registration & Coffee	Registration & Coffee
9.15-9.30	Welcome Address by Peter Carter, Sam Fankhauser & Frans de Vries	
9.30-10.30	Keynote Paul Ferraro (Georgia State University) Delivering ecosystem services in the 21 st century: The state of the evidence base <i>Morning Chair: Nick Hanley</i>	Keynote Jonah Busch (Conservation International) REDD+ as the foundation for international payments for multiple ecosystem services <i>Morning Chair: Susanna Mourato</i>
10.30-11.00	Coffee/Tea	Coffee/Tea
11.00-11.30	Kathy Willis (U. Oxford) Potential tools and datasets for rapid measurement of ecosystem services in time and space	Helen Dunn (Defra) Opportunities and challenges for use of PES in England
11.30-12.00	E.J. Milner-Gulland (Imperial College) Building household decision-making into models of ecosystem service provision	Ian Dickie (Eftec) Habitat banking – compliance markets for biodiversity and ecosystem services
12.00-12.30	Charles Palmer (LSE) 'The REDD Game': From theory to empirics, to policy simulation	David Hill (Environment Bank Ltd) Environmental markets for ecosystem services
12.30-13.30	Lunch	Lunch
13.30-14.00	Laure Ledoux (European Commission) Ecosystem services in the new EU biodiversity strategy <i>Afternoon Chair: Giles Atkinson</i>	Paul Morling (RSPB) From research to policy – Reflections on ecosystem services from a UK conservation perspective <i>Afternoon Chair: Frans de Vries</i>
14.00-14.30	Frank Wätzold (Brandenburg University of Technology Cottbus) Designing cost-effective compensation payments for conservation measures	Adam Kleczkowski (U. Stirling) Spatial coordination, agglomeration payment and wetland management
14.30-15.00	Johannes Sauer (U. Manchester) Policy costs and producer costs – empirical modelling of agri-environmental services	Simanti Banerjee (U. Stirling) Examination of coordination with the agglomeration bonus in the presence of transaction costs
15.00-15.30	Coffee/Tea	Matthew Cranford (LSE) A Global Overview of Ecosystem Finance
15.30-16.30	Keynote Sophie Thoyer (Supagro/LAMETA) Designing conservation auctions	Workshop Conclusion and Message
16.30-17.30	Group discussion – Chair: Graham Wynne	
17.30	Drinks at George IV Bar
